Jesus longed for His temple to be known as a "House of Prayer" and God the Father tells us repeatedly in Scripture to pray with faith and to pray about everything. Prayer is power. Join this group as they gather each week to spend time in prayer. You will find a deeper desire to pray and listen to what God has to speak into your life.

You may sign up for any of the studies by calling the Church Office,
692-4220 or emailing Sheryl at sheryla@faithwf.com.
